Subj: COAST GUARD CATASTROPHIC INCIDENT SEARCH AND RESCUE (CISAR)
POLICY

1. Enclosure (1) provides Coast Guard policy for the coordination and conduct of Emergency Support Function (ESF) #9/Catastrophic Incident Search and Rescue (CISAR) operations. Enclosure (1) shall be in effect upon receipt.

2. The purpose of this policy is to provide guidance to the Coast Guard concerning the coordination and conduct of ESF #9/CISAR operations, Mission Assignments (MAs), and Mission Assignment Task Orders (MATOs) and geo-referencing in a CISAR environment.

3. This policy shall be incorporated into the new U.S. Coast Guard Addendum – Organization and Management (Volume 1).

4. Request widest dissemination.
