Attached is the FTP Link to the Endangered Species Act Biological Assessment for the BNSF Sandpoint Junction Project. If you are satisfied, please initiate consultation by forwarding by agency letter to USFWS for their 30 day review.

Here is the ftp link for the BA: [REDACTED]

Exemption 4

It includes:

- A clean Word document of the BA with no comments or tracked changes
- A bookmarked PDF of the BA with appendices

Please test the ftp link prior to sending and let us know if there are any issues.

Also attached are the minutes from the USFWS pre-BA meeting. As per your request, we are preparing a Comment Response Tracking Tool that will be completed and sent to you by the end of the week.

Thank you
