Thank you, John, et al, for the forward of SHPO's letter.

I've shared with both BNSF and our cultural resources staff to review and will let you know if they have any questions/comments, along with a status of revising the report.

I'll hope to have clarification by Thursday's weekly call.

Sue.

Hi Sue,

I received the email Friday and the hard copy letter arrived in our office yesterday. It appears that Idaho SHPO will require the cultural report be revised to cover the Upper Pend Oreille River Archaeological District.

Let us know if you have any concerns regarding this. Also, could you give us an idea of when the revisions can be accomplished.

Thanks.

Hi John

I received your voicemail. Please find attached a letter mailed just this morning relative to the Sandpoint project. Our compliance archaeologist does want effects to the Upper Pend Oreille River Archaeological District fleshed out in the report itself.

Let me know if you have any questions. Have a great weekend.

matt
