

**U.S. / European Community
Mutual Recognition Agreement on Marine
Equipment**

FREQUENTLY ASKED QUESTIONS

QUESTIONS	ANSWERS
What is the MRA?	The MRA is an agreement between the US and the EC that allows reciprocal approvals to be given by both the US and EC for certain marine products.
How will the MRA impact the Maritime industry?	Manufactures will be able to obtain both USCG and EC approval of their product through only one approval process. This will reduce the bureaucratic hardship of manufactures and promote increased trade between the US and the EC.
Who do I contact to ask questions concerning the MRA?	Forward all questions concerning the MRA to: E-mail: TypeApproval@uscg.mil
How do I obtain approval of my product under the MRA?	Please review NVIC 8-04 and if you have any additional questions contact G-ENG-4.
My product has a USCG Approval Number but it	NO. Only equipment that is listed under Annex II can be approved

<p>is not listed in Annex II of the MRA can it still receive the EC Wheelmark under the MRA?</p>	<p>under the MRA.</p>
<p>Will there be an opportunity to include equipment or products not currently listed in Annex II?</p>	<p>YES. There is a provision within the MRA for the US and the EC to review additional equipment or products for inclusion within Annex II.</p>
