**REPORT OF THE MARITIME SAFETY COMMITTEE ON ITS
NINETY-SEVENTH SESSION**

Corrigendum

The second sentence of the existing paragraph 21.10 is amended to read as follows:

"With regard to the commencement of the second phase of the work on the Polar Code, the Committee noted the Chair's view that the work related to the second phase for non-SOLAS ships should not begin until experience is gained with the new Code for SOLAS ships."
