equipment**

Description

**The company should establish procedures to ensure that the ship is maintained in accordance with the provisions of the relevant rules and regulations established by the company. The technical and/or operational nature of the deficiencies noted on the report of inspection provide objective evidence of a serious failure of the implementation of the ISM Code. An external audit report satisfactory to the OCMI must be submitted prior to clearance of this deficiency.**

**The crew's un-familiarization with the vessel has led to poor maintenance condition of several aspects of the ship which may result in a hazardous situation.**
