Deficiencies: Code - Category

**03105 - Covers (hatchway-, portable-
, tarpaulins, etc.**

Description

**The means for securing and maintaining
weathertightness shall be to the satisfaction of the
Administration. The arrangements shall ensure that the
tightness can be maintained in any sea condition. PSCO
observed severe degradation of cargo hatch cover
gasketing on multiple hatch covers.**

This deficiency is not RO related.

**15102 - Company responsibility and
authority**

**The company should establish procedures to ensure that
the ship is maintained in accordance with the provisions
of the relevant rules and regulations established by the
Company. The technical nature of deficiency noted above
provides objective evidence of a serious failure of the
implementation of the ISM Code. An external audit
report satisfactory to the OCMI must be submitted prior
to the clearance of this deficiency.**

This deficiency is not RO related.
