**15109 - Maintenance of the ship and
equipment**

Description

The Company should establish procedures to ensure that the ship is maintained in conformity with the provisions of the relevant rules and regulations and with any additional requirements which may be established by the Company. The technical and/or operational nature of the deficiencies noted in deficiencies 02, 03, and 10 below provide objective evidence of a serious failure of the implementation of the ISM code. An external audit report satisfactory to the OCMI must be submitted prior to clearance of this deficiency.

This deficiency is not RO related.
