

**Motion: Close Out of Task Statement #10-23**

The National Commercial Fishing Safety Advisory Committee (NCF SAC) hereby moves to close out Task Statement #10-23: Continue review of the development of the CG-CVC-3 publicly accessible website containing information related to fishing industry activities, including vessel safety, inspections, enforcement, hazards, training, and outages of the Rescue 21 system.

The subcommittee has completed its review of the website, provided appropriate suggestions for improvements, and the U.S. Coast Guard has indicated that these suggestions will be incorporated into future website edits. Therefore, Task Statement #10-23 is considered complete.

**September 10, 2024, Subcommittee Attendance:** Jerry Dzugan, Barb Hewlett, Frank Vargas, Eric Rosvold, Tom Dameron, and Stephen Hochberg (Public, Trident Seafoods)
