

Commercial Fishing & Safety
Reading list - Selective list of recommended available literature.

About the List

The reading list provides recommended available literature related to commercial fishing and the lessons learned about one of the most dangerous occupations in the world. The list is not all-inclusive; the goal is to provide a starting point or expand existing knowledge. Contributions to update this list are always accepted.

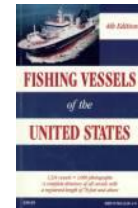

Fishing Vessel Safety: Blueprint for a National Program
by Committee on Fishing Vessel Safety (Author), National Research Council
Paperback: 308 pages
Publisher: National Academies Press (January 1, 1991)
Language: English
ISBN-10: 0309043794
ISBN-13: 978-0309043793

Commercial Fishing Methods: An Introduction to Vessels and Gears
by John C. Sainsbury (Author)
Hardcover: 359 pages
Publisher: Fishing News Books; 3rd edition (June 30, 1996)
Language: English
ISBN-10: 0852382170
ISBN-13: 978-0852382172

Fishing Vessels of the United States; 4th Edition
Kjell, Jr. Thompsen (Publisher)
Paperback: 424 pages
Publisher: Nautilus Pub (January 1997)
ISBN-10: 0963433849
ISBN-13: 978-0963433848

Deck Safety for Crab Fishermen
Published by Jensen Maritime Consultants, Inc.
Jensen Maritime Consultants, Inc.
404 Fisheries Building
4241 21st Avenue West
Seattle, WA 98199
