

## **U.S. Coast Guard Towing Vessel National Center of Expertise**

Ms. Hogarth joined the TVNCOE as a Technical Advisor in August 2025.

She started her maritime career in Tonga, a small nation in the South Pacific, where she operated a whale watching and diving vessel. In 2010 she moved to the San Francisco Bay Area and began working as a deckhand. After working up the ranks and obtaining her Captain's license, she gained employment with a ferry company in 2013 working as a Master and also took on the role of Safety, Security and Training Coordinator/Port Captain.

In 2023 she joined the USCG Sector San Francisco Domestic Inspections Team as the Branch Chief. In her time as a Coast Guard Civilian she has obtained several Marine Inspector Qualifications and trained in ISO: 9001 Lead Auditor and ISM Code:2018 Auditing. Amanda is looking forward to working with the Towing Vessel Industry to promote safety and commerce.
