

U.S. Coast Guard Towing Vessel National Center of Expertise

Lieutenant Commander Noel Shriner assumed the duties of National Technical Advisor for the Towing Vessel National Center of Expertise.

Prior to this assignment, he served as the Chief of Inspection Division at Marine Safety Unit Port Arthur, TX. Other assignments include the Prevention Department Head at MSU Huntington; Marine Inspector, Sector Virginia; Technical Engineer, Marine Safety Center, Washington, DC; and Student Engineer on USCG Cutter Gallatin in Charleston, SC.

Lieutenant Commander Shriner graduated from the United States Coast Guard Academy in 2008 with a Bachelor of Science degree in Naval Architecture and Marine Engineering. He was also selected for the Marine Engineering Post-graduate program where he received his Master of Science in Fire Protection Engineering from the University of Maryland. Additionally, he received a Masters of Business Administration and Master of Finance from the University of Maryland.

LCDR Shriner's awards include: 2 Coast Guard Commendation Medals, 3 Coast Guard Achievement Medals, Commandant's Letter of Commendation Ribbon, Sea Service Ribbon, 5 Meritorious Team Commendations, and has the Permanent Prevention Operations Ashore Insignia.
