**Re: BNSF Sandpoint Junction Connector, Bonner County, Idaho
SHPO# 2018-365**

Dear Mr. Fischer:

Thank you for continuing consultation with our office on the above referenced project. We are in receipt of the additional information for Bridge 3.0 relative to the BNSF Sandpoint Junction Connector Project in Sandpoint, Bonner County, Idaho.

After reviewing the additional information provided by Jacobs Engineering Group, our office has no further concerns regarding potential effects to historic built environment resources. We look forward to reviewing the updated cultural resources report addressing potential effects to the Upper Pend Oreille River Archaeological District when it becomes available.

If you have any questions, please contact me via phone or email at 208.488.7468 or matt.halitsky@ishs.idaho.gov.

Sincerely,

Matthew Halitsky, AICP
