Jim, et al –

Thanks for the re-send/forward of Steve's 7/31/18 email.

I had also sleuthed out correspondence regarding the no comment on the 8/30 meeting and your returned comments for the 9/6 meeting. But, I do appreciate your resend of those also to verify I was on the right track with those.

Pdfs of the 'final' meeting minutes will be returned to all later this morning.

Again, thank you for your help with this!
Sue.

Subject: [Non-DoD Source] Final Meeting Minutes Question RE: USCG/BNSF Sandpoint Junction Coordination Call

Hello –

While compiling the final minutes in a pdf format to return, I don't seem to have comments back from you, Shelly, or other USCG staff for the following meetings:

#5 (7/26/18)

#10 (8/30/18)

#11 (9/6/18)

They may be like Meeting #9, where you returned an email, Shelly, on 8/30/2018 stating that “the CG has no edits” to the 8/23/18 meeting.

But, I wanted to be sure that with being on vacation during those times I hadn't missed an email that was subsequently, inadvertently deleted.

When you can, please verify that for these meetings, you had no edits. Or, re-send comments for inclusion.

Sorry for this confusion, but I appreciate your help!
Sue.

Hello everyone - when you have a chance, please send us the final meeting minutes for our weekly meetings in pdf format. I believe we are up to date with providing edits back on all, but have never seen the final versions for our record.

Thank you and have a great weekend,

Shelly Sugarman
