DEFINITION OF ENCLOSED SPACES

Proposal by the French delegation

A paragraph (3), worded as follows, would be inserted in document TM/CONF/C.2/WP.14. The present paragraph (3) would become paragraph (4):

(3) Notwithstanding any other provision in the present regulation, the volumes listed below must all be included in the total volume of which they form part:

- the volume below the freeboard deck
- the volume of the superstructures.

For the purposes of the application of this paragraph the terms "freeboard deck" and "superstructures" shall have the meaning attributed to them by the International Convention on Load Lines in force.
