U.S. Coast Guard sent this bulletin at 06/14/2017 02:40 PM EDT

The U.S. Coast Guard's National Vessel Documentation Center (NVDC), located in Falling Waters, West Virginia, is the only entity authorized to issue Certificates of Documentation (CODs), Form CG-1270, valid for a period of one year from date of issuance. This document is required for vessels engaged in Commercial trade and is optional for vessels five net tons and over engaged in recreational use/activities.

Persons interested in conducting business directly with NVDC should visit the official Coast Guard website at: <http://www.uscg.mil/nvdc/>

The NVDC is aware that there are commercial entities that offer to manage the certification/renewal process on behalf of vessel owners for a fee. The Coast Guard does not endorse any of these companies, and the companies do not operate on behalf of the Coast Guard in any way. Any fees charged or agreements offered by such companies are in no way associated with the NVDC certification process. In addition, these companies are not authorized to issue any form of documentation, including travel letters and/or permits that authorize operation of ANY vessel. Customer complaints can be made through the Federal Trade Commission's (FTC) website at <https://www.ftc.gov/>
