Privacy Act

Authority: 46 U.S.C. §9303 and 46 CFR §401.210.
Purpose: The Coast Guard will use this information to review mariner credentials and qualifications against eligibility requirements for providing registered pilotage on the Great Lakes.
Routine Uses: Information will be used by Coast Guard personnel to determine an applicant's suitability to provide registered pilotage service. Any external disclosures of data within this record will be made in accordance with DHS/USCG-006, Great Lakes Registered Pilot and Applicant Pilot Eligibility System of Records, 73 Fed. Reg. 245 (December 19, 2008).
Disclosure: Furnishing this information is voluntary; however, failure to furnish the requested information may delay or prevent the processing of your application or registration, which may prevent you from providing registered pilotage service on the Great Lakes.
 An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden for this report is 18 minutes. You may submit any comments concerning the accuracy of this estimate or any suggestions for reducing the burden to: Commandant (CG-WWM-2) U.S. Coast Guard Stop 7509, 2703 Martin Luther King Jr, Ave. SE, Washington, DC 20593-7509.
