Signed By: shelly.h.sugarman@uscg.mil

Ms. Wefald – the USCG has conferred with signatories and invited signatories of the Programmatic Agreement. All parties concur to an extension of the date to establish a public private partnership until March 16. Please note that this extension does not change any other due date in the PA. As a reminder, the requirement to establish a funds vehicle is also due on March 16. We look forward to hearing from you on or before that date.

Thank you,
Shelly Sugarman
