

Keep 'Em Safe, Keep 'Em Sailing

Mission of the National Maritime Center

The mission of the National Maritime Center is to issue credentials to fully qualified mariners in the most effective and efficient manner possible in order to assure a safe, secure, economically viable, and environmentally sound Marine Transportation System.

Future of Mariner Credentialing

We are committed to improving service to the mariner! The Mariner Credentialing Program has embarked on providing a transformative and comprehensive web-based application solution for our customers. Qualified mariners, employers, training providers, and other stakeholders will realize a faster, more reliable, and simplified credentialing process.

B. W. Clare, Captain
Commanding Officer
