

## Exam Working Group – Towing

Section 315 of the 2015 Coast Guard Authorization Act requires the United States Coast Guard to commission a working group to review existing and new examination questions.

The National Maritime Center (NMC) will hold a deck exam working group for **Towing** at the NMC in Martinsburg, WV, September 12-14, 2023. It is recommended that you have a towing endorsement for attending this session.

If you wish to attend and you have not been part of an exam working group before, please visit the [Examinations page of the NMC website](#) under the Working Group tab for complete application instructions, which will include sending in a résumé and non-disclosure agreement.

If you have attended in the past and would like to attend for this working group, please send us an e-mail at [NMCEXAMWORKINGGROUP@USCG.MIL](mailto:NMCEXAMWORKINGGROUP@USCG.MIL).

Examination question review is an opportunity to help the NMC and your fellow mariners make long-term improvements to the examination system.

If you have any questions, concerns, or feedback in regards to exam working groups, you can contact us by e-mailing [NMCEXAMWORKINGGROUP@USCG.MIL](mailto:NMCEXAMWORKINGGROUP@USCG.MIL).
