

Training and Examinations

- Military training and courses may qualify toward the evaluation of various ratings and officers endorsement. Training and courses must be approved by the National Maritime Center (NMC) and applicable to the endorsement requested. These courses will only be credited within the parameters of the existing approval and may cover any combination of experience, training, assessments, or examinations.
- For additional information, visit the [NMC Courses & DE/QA](#) page and the [NMC Examinations page](#).
