151.26	Shipboard oil pollution emergency plan	X		Required by 33/151.09(c)(2) only when not engaged in the exploration, exploitation, or associated offshore processing of seabed mineral resources
151.27	Plan submission and approval	X		Required by 33/151.09(c)(2) only when not engaged in the exploration, exploitation, or associated offshore processing of seabed mineral resources

151.28	Plan review and revision	X		Required by 33/151.09(c)(2) only when not engaged in the exploration, exploitation, or associated offshore processing of seabed mineral resources
151.29	Foreign ships		X	FOFs are not Foreign Ships or operated under the authority of another country
Noxious Liquid Substance Pollution				
151.30	Applicability (NLS Pollution)	X		Meets the definition of ship & 33/151.30(a)(4)
151.31	Where to find requirements applying to oceangoing ships carrying Category A, B, C, and D NLS	X		Based on definition of oceangoing ship and applicability in 33/151.30(a)(4)
151.32	Special areas for the purpose of Annex II	X		Based on the applicability in 33/151.30(a)(4)
151.33	Certificates needed to carry Category C Oil-like NLS	X		Based on definition of oceangoing ship and applicability in 33/151.30(a)(4)
151.35	Certificates needed to carry Category D NLS and Category D Oil-like NLS		X	FOFs are not flagged and don't have cargo tanks
151.37	Obtaining an Attachment for NLS to the IOPP Certificate and obtaining an NLS Certificate		X	Certificate not required by 33/151.19
151.39	Operating requirements: Category D NLS	X		Based on definition of oceangoing ship and applicability in 33/151.30(a)(4)
151.41	Operating requirements for oceangoing ships with IOPP Certificates: Category C and D Oil-like NLSs		X	Certificate not required by 33/151.19
151.43	Control of discharge of NLS residues	X		Only applies if the FOF is NOT operating under a NPDES permit per 33/151.43(a)
151.47	Category D NLSs other than oil-like Category D NLSs that may be carried under this part	X		Based on the applicability in 33/151.30(a)(4)
Garbage Pollution and Sewage				
151.49	Category C and D oil-like NLSs allowed for carriage	X		Based on the applicability in 33/151.30(a)(4)
151.51	Applicability (Garbage Pollution and Sewage)	X		
151.53	Special areas for Annex V of MARPOL 73/78	X		Covers special areas of the U.-S.
151.55	Recordkeeping requirements	X		Required by 33/151.51(c)(3)
151.57	Garbage management plans	X		Required by 33/151.51(d)(2)
151.59	Placards	X		Required by 33/151.51(e)(2)
151.61	Inspection for compliance and enforcement	X		FOFs operate within the Exclusive Economic Zone (EEZ) and meets the definition of ship
151.63	Shipboard control of garbage	X		Based on the definition of ship
151.65	Reporting requirement	X		Based on the definition of oceangoing ship

151.66	Operating requirements: Discharge of garbage in the Great Lakes and other navigable waters		X	While the definition of ship applies to FOFs, the Great Lakes are not OCSLA waters; therefore, FOFs do not operate in the Great Lakes and are not subject to this section
151.67	Operating requirements: Discharge of plastic prohibited	X		Based on the definition of ship
151.69	Operating requirements: Discharge of garbage outside special areas		X	Based on fixed or floating platforms being addressed by 33/151.73
151.71	Operating requirements: Discharge of garbage within special areas		X	Based on fixed or floating platforms being addressed by 33/151.73
151.73	Operating requirements: Discharge of garbage from fixed or floating platforms	X		Required by 33/151.51(f)
151.75	Grinders or comminuters	X		
151.77	Exceptions for emergencies and health risks	X		
151.79	Operating requirements: Discharge of sewage within Antarctica		X	While the definition of ship applies to FOFs, Antarctic waters are not OCSLA waters; therefore, FOFs do not operate in Antarctica and are not subject to this section
Subpart B	Transportation of Municipal and Commercial Waste		X	FOFs do not transport municipal or commercial waste
Subpart C	Ballast Water Management for Control of Nonindigenous Species in the Great Lakes and Hudson River		X	The waters subject to this subpart are not subject to OCSLA and therefore not applicable to FOFs
Subpart D	Ballast Water Management for Control of Nonindigenous Species in Waters of the United States	X		FOFs operate within one Captain of the Port Zone (COTP) and are exempt IAW 33/151.2015(b)(2) from the BWM requirements, reporting and recordkeeping sections only
Subpart E	Definition of Marine Debris for the Purposes of the Marine Debris Research, Prevention, and Reduction Act	X
