

## **U.S. Coast Guard Towing Vessel National Center of Expertise**

As a plank holder of the Towing Vessel National Center of Expertise, Mr. Douglass has acted as subject matter expert for towing vessels since 2010.

Prior to joining the USCG civilian workforce, Mr. Douglass sailed deep sea on tankships and towing vessels for 25 years.

He is a Massachusetts Maritime Academy graduate with Bachelor of Science in Marine Engineering and dual USCG licensed, holding both Master and Chief Engineer.
