

U.S. Coast Guard Towing Vessel National Center of Expertise

Chief Warrant Officer David E. Rogers is an Advanced Journeyman Marine Inspector that serves as a Technical Advisor at the Towing Vessel National Center of Expertise with over 30 years of military service.

Prior to this assignment, he served as Senior Marine Inspector at MSD Nashville, TN, from 2013 to 2021, where he led passenger and towing vessel inspections, tank barge new construction and re-certification, and Duty Marine Inspector responses. From 2009 to 2013, he served at Sector New Orleans, LA, as a marine inspector and Port State Control Examiner, while also serving as Duty Marine Inspector. Mr. Rogers has earned numerous inspection qualifications including Machinery, Oil and Chemical Inspector.

Prior to becoming a Marine Inspector, he completed over 17 years enlisted service in the Coast Guard as a Machinery Technician (MK) where he served three tours as an Engineering Petty Officer with 11 years sea time.
